

Call for Participation

We invite you to join us in **15th International Conference on Cloud Computing: Services and Architecture (CLOUD 2026)**

This conference brings together researchers, practitioners, and industry leaders to explore the rapidly evolving landscape of cloud technologies and their transformative impact on modern enterprises. As organizations continue to modernize their digital ecosystems, cloud computing has become far more than a cost saving strategy, it now serves as a foundation for innovation, agility, and intelligent automation across every sector.

Highlights of CLOUD 2026 includes:

- 7th International Conference on Natural Language Computing and AI (NLCAI 2026)
- 15th International Conference on Embedded Systems and Applications (EMSA 2026)
- 16th International Conference on Computer Science, Engineering and Applications (CCSEA 2026)
- 7th International Conference on Big Data and Machine Learning (BDML 2026)
- 12th International Conference on Signal and Image Processing (SIPRO 2026)
- 15th International Conference on Software Engineering and Applications (SEA 2026)
- 12th International Conference on Networks & Communications (NCOM 2026)
- 14th International Conference on Data Mining & Knowledge Management Process (DKMP 2026)
- 12th International Conference on Artificial Intelligence and Applications (AIFU 2026)
- 7th International Conference on Block chain and Internet of Things Applications (BIoT 2026)
